A black and white manga-style illustration. In the center, a character with short hair, wearing a light-colored, patterned jacket over a dark shirt and light pants, stands on a raised platform or stage. Their right arm is raised in a fist, and their left arm is extended outwards. The character has a determined expression. The background is filled with falling confetti or streamers, suggesting a celebration or a significant event. In the foreground, the tops of several heads are visible, and many hands are raised in the air, some holding up phones or cameras, indicating a large crowd of fans or supporters. The overall atmosphere is one of excitement and triumph.
